

**CALL FOR PAPERS**  
**6th Annual Symposium on Information Assurance (ASIA '11)**  
**14th Annual New York State Cyber Security Conference**  
**June 7-8, 2011,**  
**Empire State Plaza (Albany, NY)**

<http://www.albany.edu/iasymposium>

**SUBMISSION DEADLINE: February 15, 2011**

Authors are invited to submit original and unpublished papers to the 6<sup>th</sup> Annual Symposium on Information Assurance. Accepted papers will appear in the symposium proceedings. This symposium is jointly held with the 14<sup>th</sup> Annual New York State Cyber Security Conference. This two-day event attracts practitioners, researchers, and vendors providing opportunities for business and intellectual engagement among attendees. The symposium is organized by the School of Business and the NYS Center for Information Forensics and Assurance (CIFA) at the University at Albany, State University of New York, as well as the Office of Cyber Security of the NYS Division of Homeland Security and Emergency Services. There is no registration fee for authors of accepted papers. All participants in ASIA '11 will also be able to attend the rest of the NYS Cyber Security Conference sessions.

Suggested topics for submission of papers are listed below (but not limited to):

Cyber Warfare	Security Data Collection and Analysis
Information Assurance	Linguistic Analysis for Security and Intelligence
Internet-based Terrorism and Espionage	Reverse Engineering of Viruses and Worms
Security Policy Implementation & Compliance	Botnet Detection and Prevention
Information Security Risk Management	Self-organization based Security Models
Economics of Information Security	Biological Models of Security
Computer & Network Forensics	Network Security and Intrusion Detection
Computer Crime and Digital Forensics	Security in the Cloud / Distributed Systems
Forensic Accounting and Fraud Detection	Curriculum Development in Information Security
Digital Rights Management	Privacy & Security
Critical Infrastructure Security	Smart Grid Security

**SUBMISSION GUIDELINES**

1. Submitted papers must not have been previously published, or currently under consideration for publication elsewhere, or have substantial overlap with papers the author has submitted elsewhere.
2. Submissions undergo a double-blind peer review process.
3. Papers selected for presentation will be published in proceedings however we do not take the copyright away from authors. Arrangements are also being made with journals to publish extended versions of selected papers from the symposium.
4. Papers in the topic areas discussed are preferred, although contributions outside those topics may also be of interest. Please feel free at any time to contact the symposium chair if you have questions regarding your submission.
5. Papers should be submitted via email to the chair at [goel@albany.edu](mailto:goel@albany.edu) in IEEE format and should include the following:
  - a) Separate title page (in plain text) with Title, Name(s) of authors, Organizational affiliation(s), telephone and fax number(s), postal address(es), and email address(es), Author to contact for correspondence about the paper.
  - b) Abstract (less than 250 words)
  - c) Paper including a brief biography of each author as appropriate at the end of the paper

**SUBMISSION CATEGORIES**

Submissions can be made in a number of categories: Completed research papers, research-in-progress papers, case studies, and panel proposals/round table discussions. Please follow the following guidelines in preparing your submission.

1. Completed Research Papers: Typically 5,000 words long (excluding abstract and references).
2. Research in Progress Papers: Typically 2,500 words (excluding abstract and references).
3. Case Studies: Typically between 3,000 and 5,000 words long.
4. Round Table Discussion: Typically a 1,000 word synopsis of the topic area.
5. Panel Proposals: Typically a 1,000 word description, identifying the panelists to be involve

**IMPORTANT DATES**

Paper Submission Deadline	February 15, 2011
Reviewer Feedback	March 15, 2011
Final Paper Submission	March 31, 2011
Symposium Dates	June 7-8, 2011

**SYMPOSIUM CHAIR**

**Sanjay Goel**

Director of Research, NYS Center for Information Forensics and Assurance (CIFA)  
Associate Professor, School of Business  
University at Albany, State University of New York  
PH: (518) 442-4925  
[goel@albany.edu](mailto:goel@albany.edu)

**SUBMISSIONS CHAIR**

**Damira Pon**

Senior Research Analyst, NYS Center for Information Forensics and Assurance (CIFA)  
Doctoral Student, College of computing and Information  
University at Albany, State University of New York  
PH: (518) 442-4925  
[damira@gmail.com](mailto:damira@gmail.com)

**2011 TECHNICAL PROGRAM COMMITTEE**

George Berg, University at Albany, SUNY  
Jeffrey Carr, GreyLogic  
Hemantha Herath, Brock University  
Gurpreet Dhillon, Virginia Commonwealth University  
Ronald Dodge, United States Military Academy  
Teju Herath, Brock University  
Hong C. Li, Intel Corporation  
Martin Loeb, University of Maryland  
Billy Rios, Microsoft Corporation  
Boleslaw Szymanski, Rensselaer Polytechnic University  
M.P. Gupta, Indian Institute of Technology, Delhi, India  
Stelios Sidiroglou-Douskos, Massachusetts Institute of Technology  
Boleslaw Szymanski, Rensselaer Polytechnic University,

Shambhu J. Upadhyaya, University at Buffalo, SUNY  
S. S. Ravi, University at Albany, SUNY  
Dipankar Dasgupta, University of Memphis  
Sumita Mishra, Rochester Institute of Technology  
H.R. Rao, University at Buffalo, SUNY  
Shiu-Kai Chin, Syracuse University  
Daniel Rice, Technology Solutions Experts, Inc.  
Stephen F. Bush, GE Global Research Center  
Alvaro Ortigosa, Autonoma Universidad de Madrid  
Raj Sharman, University at Buffalo, SUNY  
Anil B. Somayaji, Carleton University, Canada  
Ibrahim Baggili, Zayed University, UAE
