

State University of New York at Buffalo (SUNY at Buffalo): 2013 Faculty Opening: Management Information Systems

The Department of Management Science and Systems, School of Management, SUNY at Buffalo is seeking candidates for full-time, tenure-track Assistant/Associate faculty positions starting Fall 2013. Applicants must have a strong research program and an earned doctorate in information systems or a related field with IS competence or assurance of receiving the doctorate before August 31, 2013. A minimum of several years' experience in a tenure track position is preferred, as is the demonstrated ability to communicate with MBAs and general managers. Responsibilities include carrying out the research, teaching and service mission of the School. Candidates must have a track record in Healthcare IT areas that address technical, economic, behavioral or analytical research issues in the quality of care, coverage and innovations. Some of the areas of interest include Healthcare Analytics, Big Data research in Healthcare, Medical and Healthcare Risk Management, Healthcare Information Security and Compliance, Business of IT, IT-driven Innovations, and use of social media in healthcare. Please note that this is not an exhaustive list.

Please include the following attachments: curriculum vitae; list of courses taught and course evaluations; statement of research and teaching interests; short dissertation summary; document listing reference names and e-mail addresses; a maximum of three published or working papers.

Applications must be submitted on line at [www.ubjobs.buffalo.edu](http://www.ubjobs.buffalo.edu) for posting number 1200700 or copy paste the following quick link in their internet browser:

<https://www.ubjobs.buffalo.edu/applicants/Central?quickFind=55625>

To ensure consideration, applications must be received by December 1, 2012, but applications will continue to be accepted until the positions are filled.

The State University of New York at Buffalo is an equal opportunity educator and employer.

Please note we are also interested in senior researchers.
