

Business Analytics Faculty Position
Department of Information, Risk, and Operations Management
McCombs School of Business
The University of Texas at Austin

The **McCombs School of Business** at **The University of Texas at Austin** invites applications for a tenure track faculty position (preferably at the junior level) in the Department of Information, Risk, and Operations Management starting in **Fall 2014**. We seek candidates with a rigorous research program that focuses on the development or the innovative use of **data-driven methodologies**, and that is motivated by challenges in business, health care, or energy. A candidate's research may draw from one of a variety of research disciplines, including statistics, computer science, information systems, decision analysis, quantitative finance, operations and supply chain management, econometrics or other related fields. We seek candidates with a strong commitment to high quality research and teaching, and who can contribute to our program in Business Analytics. Applicants should have a Ph.D. or expect to complete their degree before Fall 2014.

The McCombs School, with its top-ranked faculty and educational programs, offers a stimulating and collegial environment for research and teaching. The *Information, Risk, and Operations Management* (IROM) Department offers courses and concentrations in the undergraduate, MBA, and PhD programs. The School's Supply Chain Management Center of Excellence, Center for Research in Electronic Commerce, Energy Management and Innovation Center, Healthcare initiative and other research centers and initiatives provide opportunities for IROM faculty to collaborate with colleagues in other disciplines and to interact with industry.

Interested applicants should send a curriculum vita, three recommendation letters, copies of research papers, and a statement of research objectives and accomplishments to **romrecruiting@mcombs.utexas.edu**. Candidates with teaching experience should also send teaching evaluations. Recommendation letters may be sent by e-mail or mailed to: IROM Faculty Search Committee, IROM Department, 2110 Speedway Stop B6500, Austin, TX 78712. To ensure serious consideration, applications and recommendation letters must be received by **December 6, 2013**. Review of applications will continue until the position is filled.

The University of Texas at Austin is an equal opportunity/affirmative action employer. Applications from women and minorities are encouraged.
