4. Contact information on 3 references
5. Student evaluations may be requested at a later date.

Information for applicants: A criminal background check is required for this position.

The position reports to the Dean of College of Hospitality & Technology Leadership on the USF Sarasota-Manatee Campus. Responsibilities include leading the Program in enhancing teaching and research in information technology/security, conducting research and scholarship activities; securing grant and outside funding; mentoring junior faculty; preparing for ABET professional accreditation; teaching

undergraduate courses in the Bachelor of Science in Information Technology program both on-line and in-person; engaging in outreach and service activities; participating in curriculum and program development; actively serving on and chairing department and university committees. USF Sarasota-Manatee is the primary campus for this position; however, this position may also teach on other USF campuses or off-campus locations. Appointment is for a 9-month, tenured position, and includes an excellent benefits package.

About University of South Florida

The University of South Florida System is a young and emerging system that currently includes three institutions: USF Tampa; USF St. Petersburg; and USF Sarasota-Manatee. The institutions are separately accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. All institutions have distinct missions and their own detailed strategic plans.

About USF Sarasota-Manatee

The University of South Florida Sarasota-Manatee provides access to professional higher education programs and scholarly research in a personalized living and learning community that graduates successful leaders who empower Florida's Suncoast to thrive locally, nationally, and globally. The campus serves more than 4,600 students annually and offers 34 undergraduate and graduate degree/certificate programs. An additional instructional site is located in North Port, south Sarasota County. Average annual air temperature in Sarasota/Bradenton area is [72.6 F (22.6 C)](). View Visitor's Guide Book [here](). Sarasota/Bradenton area is home to the best beaches and art offerings in Sunny Florida.

About the College of Hospitality and Technology Leadership (CHTL):

Hospitality and Information Technology are two of the fastest growing industries in Florida. The College of Hospitality and Technology Leadership at the University of South Florida Sarasota-Manatee is to provide quality education for students in hospitality and technology leadership positions by creating an intellectual, collaborative, ethical, inclusive environment for our students, faculty, industry and community to produce educational opportunities and innovate research that will benefit the constituents in Florida, the U.S. and the world.

The Information Technology program is housed on the USF Sarasota-Manatee Campus. The program offers the Bachelor of Science in Information Technology, the Bachelor of Science in Applied Science in Information Technology, eight certificates of specialization and three concentrations. The IT Program is designed to bridge the gap between computer science and management information systems to prepare students for a broad range of career fields in an information-based economy and society. More Information: http://usfsm.edu/chtl/

Review of applications will begin immediately and will continue until the position is filled. Inquiries about the position should be directed to Dr. Cihan Cobanoglu, Dean of College of Hospitality and Technology Leadership, Phone: 302-897 1909 or via email at cihan@sar.usf.edu

We look forward to welcoming you to Sunny Florida!!!
