ASSOCIATE PROFESSOR
DEPARTMENT OF INFORMATION SYSTEMS
W. P. CAREY SCHOOL OF BUSINESS
ARIZONA STATE UNIVERSITY
TEMPE, ARIZONA

The Department of Information Systems in the W. P. Carey School of Business at Arizona State University invites applications for a faculty position at the rank of Associate Professor starting Fall 2015. Both current Associate Professors and senior Assistant Professors with outstanding records will be considered.

Essential Functions. The candidate must contribute to the Department of Information System's mission in the areas of research, teaching and service, and must be able and willing to teach information systems and business analytics courses to both undergraduate and graduate students.

Required Qualifications. 1) A PhD in business administration, information systems or a closely related field; 2) A record of research excellence as evidenced by papers published in premier academic journals, professional experience within the IS profession, and an active research agenda; 3) A demonstrated record of teaching excellence within information systems and/or business analytics at both the undergraduate and graduate levels.

Desired Qualifications. 1) Significant service and contribution to the Information Systems profession as evidenced by current or past editorial board memberships of premier academic journals, conferences, and workshops; 2) Experience with executive education, industry partnerships, and grant-funded research.
