

SIMTech-NTU Joint Laboratory on Complex Systems PhD Programme

January 2016 Intake – Instructions for Application

Step 1: Online Application through A*STAR Scholarship Portal

1. Go to: <https://sms.a-star.edu.sg/applicant/Login.aspx>
2. Register new account (if student does not have an account).
3. Login to A*STAR Scholarship Portal.
4. Go to: **Apply Scholarships**.
5. Apply for respective scholarship (**A*STAR Graduate Scholarship** or **Singapore International Graduate Award**).
6. Follow the instructions and fill in required information carefully.

Please note that in order to apply for “**SIMTech-NTU Joint Laboratory on Complex Systems PhD Programme**”, follow the instructions below.

7. Go to **Research** section.
8. Choose **Thematic Program** in Institution.

The screenshot shows the A*STAR Scholarship Application Portal. The 'Research' tab is circled in red. The page title is 'Scholarship Application'. The scholarship title is 'Singapore International Graduate Award (SINGA)'. The form is for 'PROPOSED SUPERVISOR & PROJECT (SINGA)'. The '1st Choice' section has a dropdown menu for 'Institution' with 'Thematic Program' selected. Other fields include 'Supervisor's Name', 'Project Title', and 'Project Description'. An 'ADD ENTRY' button is at the bottom.

9. Choose **SIMTech-NTU Complex Systems Joint Lab** in Thematic Program.
