The South-East Europe Design Automation, Computer Engineering, Computer Networks, and Social Media Conference (SEEDA-CECNSM 2015)

Technological Educational Institute of Western Macedonia, Kastoria, Greece

September 25-27, 2015

All registered papers will be included in SDIWC Digital Library

You are invited to participate in **The South-East Europe Design Automation, Computer Engineering, Computer Networks, and Social Media Conference (SEEDA-CECNSM 2015)** that will be held in **Kastoria, Greece** on **September 25-27, 2015**. Please pay attention that it is in Kastoria and not Kozani. Kozani hosts the admin offices, but the place of departments and the conference's is Kastoria. The event will be held over three days, with presentations delivered by researchers from the international community, including presentations from keynote speakers and state-of-the-art lectures.

Research Topics

Design Automation
System-level and High-level Synthesis, and ESL tools and methodologies
Design Optimization and implementation in FPGAs, ASICs, and SoCs
VLSI and digital design methodologies
Rapid prototyping and Hardware/software co-verification and co-design
Numerical and Scientific Computation
SOC, SIP design
Open-source tools
FPGA, and ASIC architecture
Artificial Intelligence

Computer Networks
Intelligent agents and distributed processing
Telecommunication Systems
Wireless and Mobile Computing
Network on Chip
Network Security
Networks and the internet

Computer Engineering
Computer Architecture
Computer-aided Design
Computer Networks
Multimedia Applications
Network Security and Cryptography
Computer Animation
Expert Systems

Social Media
Image / multimedia processing
Human-computer interaction
Social networking sites
Social innovation and effecting change
Collaborative filtering
Social networks and online education

Special Issues

Submission Deadline
August 25, 2015
