

KM Conference 2017

21 - 24 JUNE 2017, Novo Mesto, Slovenia

Themes: Knowledge Management, Learning, Information Technology

<http://iiakm.org/conference/>

Call for Papers/Abstracts

We would like to invite you to participate in KM 2017, which will be held in Novo Mesto, Slovenia on June 21 - 24, 2017. Novo Mesto, founded in the year 1365, is on a bend of the Krka River in southeastern Slovenia, considered the economic and cultural center of the region. The KM Conference 2017 will provide a showcase for the latest research in practice and pedagogical topics that focus on knowledge management, learning, and information technology, as well as how they are used to improve and sustain quality in organizations. You are invited to share your research on the conference theme or other relevant KM research with the educators and professionals attending the KM 2017 International Conference. Papers covering related academic and technical issues are also encouraged. Submit a paper/abstract at: <http://iiakm.org/conference/>

Important Dates/Deadlines (Extended)

- Submission deadline of complete papers or abstracts: ~~February 1, 2017~~ **February 21, 2017**
- Reviews and responses to authors: ~~March 1, 2017~~ **March 25, 2017**
- Submission of the final version of accepted papers or abstracts: ~~April 5, 2017~~ **April 12, 2017**

What to Submit

- Full pedagogy/research papers (including work in progress or doctoral dissertation research)
- Abstracts
- Panels

All submissions are double-blind refereed. See submission requirements at <http://www.iiakm.org/conference/> → "Author's Guidelines" High-marked papers will be fast-tracked for publication in the Online Journal of Applied Knowledge Management (OJAKM - ISSN 2325-4688). OJAKM is the official publication of the International Institute for Applied Knowledge Management. <http://www.iiakm.org/ojakm/>. Other papers and abstracts will be published in the Conference Proceedings.

Suggested Topics

KM Conference invites empirical and conceptual papers dealing with theoretical and practical aspects of knowledge management, including, but not limited to:

- Adaptive systems
- Architectures and design of KM systems
- Biometrics, Bioinformatics and Healthcare
- Cybersecurity, Information Security, Ethical and Privacy Concerns
- E-Learning, m-Learning, Experiential Learning, and Gamification
- Global and Cross-Cultural Aspects of KM
- Human-Computer Interaction, Multimedia, and Knowledge Visualization
- Human, Intellectual, Social, and Structural Capital
- Information Society and Social Networks
- Integration of Knowledge
- KM - Analytics, Intelligence and Problem Solving
- KM - Future Applications and Technology
- KM - Project and Risk Management
- KM - Conceptual Paradigms, System Theory and Development
- Knowledge Acquisition, Creation, Discovery, and Sharing Mechanisms
- Knowledge Economy, Evaluating and Sourcing Knowledge
- Knowledge Representation and Reasoning
- Knowledge Services and Sharing – Applications in Business, Education, Government, Healthcare, and More
- KM System Initiation, Implementation, and Continuance
- Learning Organization & Organizational Learning
- Managing Higher Education, Training, and Lifelong Learning
- Mobile and Ubiquitous Communications
- Organizational and Interorganizational KM
- Search, Semantics, and Content Management
- Strategic Aspects of KM

Doctoral Consortium

The Doctoral Consortium is designed for students who are engaged in developing their dissertation research (based on KM2017 suggested topics). The paper should provide the research question or topic, a justification for the importance of the research, a presentation of the theoretical basis and context for the research, a description of research approach and method, preliminary findings and expected contributions to knowledge. The paper may not exceed 3,000 words, and shall be uploaded through KM review system with clear identification within its title ("DC: ...[paper's title]"). Doctoral students are encouraged to participate in the KM2017 conference. Accepted papers will be included in conference proceedings.

Registration Fee

- Early registration (before April 12, 2017), \$325
- Late registration (after April 12, 2017), \$375
