Invitation - Innotech 2017 (10-11 Nov'17)

Dear Sir/Madam,

With great pleasures, **KIET Group of Institutions, Ghaziabad** in association with **Confederation of Indian Industry (CII)**, cordially invites you to be the part of this long-awaited **inter-institutional technical fest (INNOTECH'17) on 10th and 11th November 2017**. INNOTECH'17 will be an ideal platform to celebrate the fusion of creative minds and we wish to develop a creative, inclusive and reflective learning process for the students through this tech-fest.

The fest aims to unravel a never-before-seen and larger than ever inter-institution platform bringing together participants for various project categories and other competitions from the entire country thereby enabling the students to interact, learn and above all develop. The event also offers an opportunity for the students of various technical courses to showcase their talent, personality traits and feel elated by a crossover interaction and pool of participants and win certificate and prizes. **INNOTECH'17 for this reason is going to be a technical blend of innovation and their implementation.**

Be the part of the fest with your creative ideas and winning spirit and we sincerely hope that you would encourage your students for participation in this mega tech fest INNOTECH'17.
