## INSTITUTE

KIET Group of Institutions was founded and established in the year 1998 by "Krishna Charitable Society" at Ghaziabad. It has been contributing technical knowledge in all the branches of Engineering, Computer Applications, Pharmacy, Management and M.Tech. degree since last nineteen years. Witnessing the indelible development, it has been honoured with ISO-9001-2008 certification and NAAC accreditation with 'A' Grade for five years for its versatile faculty and high placement.

The vision of Department of Applied Sciences is to enhance and empower the scientific temperament of the students through the knowledge of myriad branches : Physics, Chemistry, Mathematics, Environmental Science and Professional Communication as per global needs. It assists in honing the students' personality, propelling towards making them successful string of corporate world. The department aims at equipping students with scientific knowledge with the blend of mind and aptitude.

## ABOUT THE CONFERENCE

KIET Group of Institution is dedicating ICSCMM-17 to one of the greatest mathematician Srinivasa Ramanujan on the auspicious occasion of his 129th birth anniversary.

As science and technology has become an integral part of our day to day life, ICSCMM-17 is an effort to explore some important technical fields such as Simulation and Modelling, Artificial Neural Network, Soft computing, Bio-mathematics and many more that have various applications in today's environment and have valuable resources for future research.

ICSCMM-17 can be proved a very beneficial platform for the academicians, researchers, scientists and industrial professionals in the domain of interest from all over the world to share the knowledge, innovative ideas and various problem solving techniques.

In brief, the main purpose of the conference is to provide some new fields for researchers that have a balance between classical procedures and recent technologies with some challenging experimental/practical aspects.

## GHAZIABAD

The city is named after the founder, Ghazi-ud -din . Initially known as Ghaziuddinnagar, now named as Ghaziabad. It is edged by Meerut city to the north, by Gautam budh Nagar and Bulandshahar to the south, by the Jyotibaphuli Nagar district to the east and by Delhi to the south west. The three principle rivers traversing the district are the Yamuna, Ganges and Hindon. The average temperature during the month of December ranges between 8°C to 22°C.
