

Illinois Fellows
Postdoctoral Research Associates in Business
University of Illinois
(1-2 Year Appointment: 2019 -)

The Department of Business Administration in the College of Business at the University of Illinois at Urbana- Champaign (UIUC) is seeking a post-doctoral fellow starting fall 2019. Our department is a vibrant and diverse interdisciplinary community consisting of Information Systems, International Business, Operations Management, Organizational Behavior, Marketing, Strategy & Entrepreneurship, and Supply Chain Management. In addition, UIUC is known for its excellence in information technology (IT) related research across the campus. This fellowship will be situated in the Information, Operations, Supply Chain, and Analytics (IOSA) area but will have access to the broader scholarly community of the department, college, and university.

The Illinois Information, Operations, Supply Chain, and Analytics (IOSA) area Postdoctoral Fellowship is a one-year or a two-year position. Applicants must have completed a doctorate in information systems, operations management, or a related discipline (other business areas, data science, computer science, economics, industrial engineering, etc.) by August 1, 2019, and should be research focused. The research thesis preferably should bear upon the interface between information systems or operations management with marketing, machine learning, finance, etc. Fellows are also invited to audit courses and are encouraged to participate in the department's scholarly seminars and other intellectual activities.

Illinois Fellows will have the opportunity to collaborate with other fellows, work with faculty in the IOSA group and other areas throughout the university, as well as, pursue their own research. All fellows will have a research budget that may be further augmented through negotiable.

For best consideration, please submit your application by March 31, 2019. Awards will be announced no later than May 15, 2019.

Please email your vita, examples of written work, a letter of intent that describes your research and teaching interests, and two letters of recommendation (can be emailed/mailed directly from reference) to Charisse Coleman at cjones1@illinois.edu

University of Illinois is an Affirmative Action /Equal Opportunity Employer and welcomes individuals with diverse backgrounds, experiences, and ideas that embrace and value diversity and inclusivity. www.inclusiveillinois.illinois.edu
