Keynote Speaker Laura Sullivan

We are delighted to confirm our keynote speaker on July 18, 2019, Laura Specker Sullivan, PhD, a specialist in interdisciplinary and cross-cultural ethics in technology and medicine. She is an assistant professor of philosophy at the College of Charleston. She has held fellowships at several institutions including the Center for Bioethics, Harvard Medical School and the Center for Sensorimotor Neural Engineering, University of Washington. Details of her talk can be found [here](#).

TAB VP Ray Liu Keynote Speaker

We are delighted to confirm our keynote speaker on July 16, 2019, Professor K. J. Ray Liu, Vice President of the IEEE Technical Activities Board. TAB is the IEEE board to which all IEEE societies, including the Computer Society reports. Professor Liu's topic is Wireless AI/Smart Radios for Smart Life. More detail can be found [here](#).

Marquette University Industry Summit

Join us Marquette University Industry Summit: a conversation with key industries. Dr. Maura Donovan, Marquette Vice President for Corporate Engagement will be the moderator for the panels. There will be three plenary panels for the conference.

- 1.Future of Manufacturing – Tuesday 3:00 – 4:00;
- 2.Future of Financial Services – Tuesday 4:15 – 5:15;
- 3.Future of Healthcare – Wednesday 4:00-5:00.

Join us the Networking event for industry and researchers – Tuesday 5:30-8:00.

Awards Banquet - Merwin E. Merwin Award

Please join us at COMPSAC welcome reception event on Monday night. Each year COMPSAC conducts a banquet that honors volunteers who have made exceptional contributing to the organization of the conference. In 2019 banquet, the Merwin Award will be presented to John W. Waltz for service to the computing society. More details [here](#). It will be held at the [Harley Davidson](#) world headquarters in Milwaukee. Attendees will be able to visit the [Harley Davidson Museum](#) adjacent to the banquet venue.

Keynote Speaker (Friday) - Wendy Nilsen

Please join us Friday keynote speaker, Dr. Wendy Nilsen. Wendy is a Program Director for the Smart and Connected Health Program in the Directorate for Computer & Information Science & Engineering at the National Science Foundation. Her work focuses on the intersection of technology and health. Detailed bio can be found [here](#).
