

Ph.D. in Information @Florida State University

ACADEMIC EXCELLENCE and COMMITMENT TO RESEARCH

The Ph.D. in Information is a research degree designed to produce astute and creative researchers for academic, corporate, nonprofit, or governmental settings. Doctoral students analyze, evaluate, and explain a variety of information phenomena and gain expertise in such areas as:

- cybersecurity
- data analytics
- data curation
- data quality
- digital government
- digital libraries
- digital youth
- distributed knowledge processes
- educational informatics
- game design
- health informatics
- human computer interaction
- information behavior
- information literacy
- information management
- information policy
- innovation
- large-scale networks
- museum informatics
- social informatics

Our highly engaged faculty provide mentoring as well as research opportunities through collaborations with:

- Center for Translational Behavioral Science (CTBScience)
- DETOUR Lab
- eHealth Lab
- Information Use Management & Policy Institute
- Innovation Hub
- Institute for Digital Information and Scientific Communication
- Institute for Successful Longevity
- iSensor Lab

A Proud History of Producing Innovative Scholars

Alumni have gone on to hold positions at many prestigious colleges and universities such as:

- Old Dominion University
- Queens College (CUNY)
- University of Alabama
- University of Alberta
- University of Florida
- University of Houston
- University of Maryland
- University of North Carolina-Chapel Hill
- University of North Texas
- University of Oklahoma
- University of Rhode Island
- University of South Carolina
- University of South Florida
- University of Wisconsin-Milwaukee

WHY CHOOSE FSU iSCHOOL?

Florida State University (FSU) is one of the nation's **TOP-20** public universities and fosters an entrepreneurial and innovative environment. FSU is recognized for its efforts in diversity and inclusion. INSIGHT Into Diversity magazine recognizes FSU as a "Diversity Champion". FSU's efforts to offer international educational experiences earned it a Platinum Level Institutional Award for Global Learning, Research & Engagement from the Association of Public and Land-grant Universities (APLU).

U.S. NEWS & WORLD REPORT RANKS FSU'S iSCHOOL
