16th ILAIS Conference

July 6, 2022

Ruppin Academic Center

Call for Papers

Israel Association for Information Systems (ILAIS) was founded in 2005 as the Israeli chapter of the Association for Information Systems (AIS). The goal of ILAIS is to promote the exchange of ideas, experiences, and knowledge among IS scholars and professionals engaged in IS development, management, and use.

The 16th annual ILAIS conference will be held on July 6, 2022, at The Ruppin Academic Center, Israel. The Conference and Program Co-Chairs invite faculty members, research students, and industry researchers in the IS field to submit:

1. Extended abstract of completed research or research-in-progress (1200 words maximum).

   The extended abstract should include an introduction, theory, method, results (if available), implications, and conclusions (if available). Template

2. Full papers of recently published (2021-2022) or forthcoming relevant research. Please send the full paper for consideration.

To enable international participation, the language of the conference is English.

Please submit by March 15st, 2022**,** via EasyChair:
