

Submission Deadline: 8 April 2022

Please send your proposal to: kai.jakobs@cs.rwth-aachen.de

PhD Project Idea

Title of the Project:

Author's Name:

Type of Thesis (monograph or collection of papers):

(Envisaged) Start/End Dates of the Project:

Please limit the outline of your project idea to about two pages,
using the template below.

1 Introduction and Motivation

Give a brief review of the state-of-the-art in your research domain, identify the contribution(s) you intend to make to the field and explain why this is important.

2 Overall Research Question(s)

Specify the research question(s) that will guide your work. This should also include a brief discussion of the academic and practical relevance of your research.

If your thesis is based on a collection of papers please also identify the research questions(s) of each individual paper.

3 Planned Methodology/Methodologies

Identify the methodology or methodologies you want to apply, along with a brief motivation for each.

4 Expected Outcomes

What is the expected project outcome and what are the mid/long-term perspectives of your research?
