

18th Conference on Computer Science and Intelligence Systems

FedCSIS 2023
Warsaw - Poland
17-20 September

Information Technology for Business and Society (ITBS'23)

Aim

ITBS constitutes a global forum for researchers and practitioners to present and discuss the recent research on information systems and technologies for businesses, governments, and society.

ITBS invites papers covering the most recent innovations, current trends, professional experiences, and new challenges in the several perspectives of information systems and technologies, i.e., design, implementation, stabilization, continuous improvement, and transformation. It seeks new works from researchers and practitioners in business intelligence, big data, data mining, machine learning, cloud computing, mobile applications, social networks, internet of things, blockchain, etc.

Topics

- Advanced information systems and technologies for business
- Advanced information systems and technologies for governments
- Advanced information systems and technologies for education
- Advanced information systems and technologies for healthcare
- Advanced information systems and technologies for smart cities
- Advanced information systems and technologies for sustainability

Track Chairs and Program Chairs

- Ewa Ziemia, University of Economics in Katowice, Poland
- Alberto Cano, Virginia Commonwealth University, Richmond, USA
- Gloria Miller, maxmetrics, Germany
- Gonçalo Dias, University of Aveiro, Portugal
- Maurizio Naldi, LUMSA University, Italy
- Jarosław Wątróbski, University of Szczecin, Poland

Dates

- Paper submission (sharp / no extension): May 23, 2023
- Position paper submission: June 7, 2023
- Author notification: June 11, 2023
- Final paper submission and registration: July 31, 2023
- Discounted Payment: July 26, 2023
- Conference date: September 17-20, 2023

Indexation

Web of Science (since 2012), SCOPUS (since 2011), DBLP (since 2011), IEEE Xplore, 70 points of MEiN in Poland

Extended versions of selected best papers presented during ITBS'23 will be published in LNBIP (Springer) without any fees
