

Flames of Change: Innovating Heat and Wildfire Risk Governance

Live webinar

.....

With another record-breaking period of extreme heat in Europe, this webinar will focus on innovative and inclusive systems for heat and wildfire governance with an aim to equip policymakers and other stakeholders with necessary knowledge, solutions and tools in tackling this critical issue of reducing the risk of urban heat and wildfires, leaving no one behind. The webinar will also contribute to the European Forum for Disaster Risk Reduction (EFDRR) Roadmap 2021-2030 implementation.

MCR2030 Webinar

Učinimo gradove otpornima 2030

Učinimo gradove otpornima 2030 (Making Cities Resilient 2030 - MCR2030) jedinstvena je inicijativa Ureda ujedinjenih naroda za smanjenje rizika od katastrofa (UNDRR) namijenjena gradovima kako bi poboljšali lokalnu otpornost i smanjili rizike od katastrofa kroz razmjenu znanja i iskustava.

MCR2030 se provodi u 3 faze kroz plan za urbanu otpornost, a za provedbu su osigurani alati, pristup znanju, praćenje i izvješćivanje.

Inicijativa podržava Ciljeve održivog razvoja (Cilj 11) i druge globalne okvire djelovanja uključujući Sendai okvir za smanjenje rizika od katastrofa, Pariški sporazum i Novu urbanu agendu.
