Association for Information Systems  
Affiliated Conference

**Dear Esteemed Colleagues,**

Greetings from the ISCSI Organizing Committee!

We are excited to announce a second deadline extension for the 2024 International Conference on Industry Sciences and Computer Sciences Innovation (ISCSI). The new deadline is now July 20, 2024.

Join us from October 29 to 31, 2024, at the **Hilton Boelra Garden Hotel in Porto**, Portugal, for an engaging exploration of the latest industry and computer science innovations. We proudly announce that ISCSI is now an **AIS Affiliated Conference**, enhancing our commitment to excellence.

Network with experts from academia, industry, and government as we discuss innovation in Computer Science, Intelligent Production Systems, Automation, Logistics, Sustainable Manufacturing, Information Systems, Project & Business Management, Cybersecurity, Data Privacy, Cloud Computing, Technology in Health, Artificial Intelligence, and Big Data Analytics.

We look forward to your contributions as selected papers will be published in **Elsevier Procedia Computer Science** and indexed by **Scopus** and **Web of Science**.

Don't miss our special Workshop **"Cyberknife - Cybersecurity and Data Privacy."** The extended deadline provides more time to refine your submissions and does not impact current review dates for already submitted papers.

#### **Tracks & Themes:**

- [Industry & Computer Sciences Innovation](#)
- [Special Tracks](#)

#### **Co-located Workshops:**

- [CYBERKNIFE - Cybersecurity and Data Privacy](#)
- [IHI - Innovations in Healthcare Informatics & Enhanced Medical Services](#)
- [UTT - University Technology Transfer of R&D Innovations](#)
- [MIR - Project Management in Review](#)
- [CODTHT - Communication, Digital Technology in Cultural Heritage & Tourism](#)
- [DCADS - Data Science & Analytics for Decision Support](#)
- [AI-SSS - Artificial Intelligence for Scalable and Sustainable Systems](#)

#### **Important dates:**

- **New Deadline** for paper submission: July 20, 2024
- **New Notification** of acceptance/rejections: August 20, 2024
- **New Revised Version** / Camera Ready: September 10, 2024
- **Already Submitted** - Notification of acceptance/rejection: August 5, 2024
- **Already Submitted** - Revised Version / Camera Ready: August 15, 2024
- **Conference:** October 29, 30, and 31, 2024

#### **2023 Winner of Excellence in Masters & Doctoral Research Award:**

- [Dr. Alvaro Garcia Lopez Elevator Pitch Video](#)
- [Application for 2024 Edition](#)
