

\$20,000 IDEAS WANTED

UP TO 5 SEMI-FINALISTS WILL BE INVITED
TO THE PITCH EVENT

HELP FIRST RESPONDERS TRANSFORM PUBLIC SERVICES WITH CUTTING-EDGE TECH

This is your chance to make a real impact and **kickstart your entrepreneurial journey** with Griffiss Institute's groundbreaking initiative! The Griffiss Institute is looking for innovative minds ready to develop innovative strategies to use Android Team Awareness Kit (ATAK) - Civilian (also known as CivTAK) to **streamline First Responder efforts for future large-scale events**.

- Up to 5 semi-finalists will be invited to a virtual pitch event on November 14, 2024
- The finalist winner will receive **\$20,000**
- Connect with leaders in the industry
- Interactive sessions - engage in Q&A with top-level industry experts and SMEs
- Register at <https://blue-clarity.webflow.io/civx-takatakforsmartcities>
- Submit a 5-page white paper (Deadline: November 4, 2024)
- Create a 2- to-3 minute video to pitch your idea

This is more than a competition; it's a launchpad for your future. The winner and semi-finalists will gain invaluable experience and support from top-level industry experts designed to transform your vision into a thriving enterprise.

Be sure to review the challenge rules for eligibility and the submission guidelines on our website:
